Lindenhurst Park District has a five (5) member Board. The Board members are unpaid and elected to six (6) year-term positions. Park Board members must reside within the Park District boundaries. Primarily, the Park Board establishes policies based on sound research and consideration of community needs. They adopt policies that allow the Park District to run efficiently, effectively, legally, and ethically. They request, receive, evaluate, and make decisions based on guidance from the Executive Director. Lindenhurst Park District encourages public interaction and believes in being actively involved in our community.

Board Meetings

Regular meetings of the Park Board of Commissioners are held on the second Tuesday of each month at 6:00pm at the Lindenhurst Village Hall. The public is always invited to attend. If you want to address the board, please contact Dave Mohr Jr., Executive Director, at 847.356.6011 x 1003 or dmohr@lindenhurstparks.org.

About Us

Lindenhurst Park District is located in northwestern Lake County, Illinois. The District was formed in April 1988, making us one of the youngest Park Districts in this area. However, it's one of the fastest-growing Park Districts with various recreational programs and parks. We currently have 19 named park sites, including two beaches (25 parcels of open space total), that offer some of the newest active features combined with designated passive/natural areas. We also have a Community Center with a full-size gymnasium, a three-lane suspended walking/jogging track, fitness equipment, a dance studio, a senior/adult room, preschool and multi-purpose rooms, and a conference room, and they are all ADA accessible. A new 5,800-square-foot expansion is scheduled to open in August of 2023. The expansion will include a dance/aerobic studio, multi-purpose room, storage, offices, and dedicated preschool space.

- **CLICK HERE** for Parent Handbook and necessary paperwork. Also available at www.lindenhurstparks.org/programs/before-after-school-program/

Annual Registration **NEW!**

Register your child for AM and/or PM care for the full school year (excluding Days Off Care/School Breaks). You will be assigned an automatic installment plan during the online registration process. Refund Policy

Refunds for non-attendance, a partial month's attendance, or withdrawal mid-month will not be given. ENGLE JUNCTION *Preschool*

A Fun Place to Learn & Play!

The Lindenhurst Park District's Engle Junction Preschool provides a program for children ages two and a half through four years of age. We strive to provide a warm, accepting environment where learning is fun. Our experienced teachers offer a variety of developmentally appropriate activities designed to help children learn and grow socially, emotionally, physically, and intellectually.

Class Descriptions

2.5-Year-Old Preschool

This introductory class for young children focuses on early learning, creativity, and play, emphasizing getting along well with others in a classroom setting. This can be their first experience being responsible for themselves and adjusting to schedules and procedures. Pull-Ups are allowed.

3-Year-Old Preschool

This class is great for children developing their early literacy, motor, and social skills. Students engage in creative projects, songs, and cooperative play every day.

3-4-Year-Old Multi-Age Preschool

This hybrid class focuses on peer learning that mimics family and neighborhood structures. Older children feel pride when helping younger students, and younger students can push themselves and reach beyond their and their families expectations.

4-Year-Old Preschool

This class is great for children developing their early literacy, motor, and social skills. Students engage in creative projects, songs, and cooperative play every day, emphasizing kindergarten readiness.

4-Year-Old Pre-K Preschool

This 4 day/week class provides students with engaging, meaningful, and creative activities. With one more day of attendance, children have more experience and time to develop their skills for kindergarten.

Our Philosophy

Engle Junction Preschool aims to provide a safe and nurturing learning environment where each child is recognized and appreciated.

All-Aboard!

Our Curriculum

Our curriculum, guided by the Illinois Early Learning Standards, is founded on the belief that children learn best through creative play and exploration. Our classrooms and curriculum have been carefully designed to promote varied learning experiences. Children participate in individual, small group, and whole-group activities daily.

We strive to prepare our preschoolers for elementary school by incorporating activities into our program that promote the development of social, emotional, physical, cognitive, and language skills.

Our teachers recognize each child's unique learning styles, needs, and interests and work diligently to offer learning experiences that are developmentally appropriate considering our students' ages, individual needs, and social and cultural contexts.
