Sheri Chapman
Commissioner

Lindenhurst Park District has a five (5) member Board. The Board members are unpaid and elected to six (6) year-term positions. Park Board members must reside within the Park District boundaries. Primarily, the Park Board establishes policies based on sound research and consideration of community needs. They adopt policies that allow the Park District to run efficiently, effectively, legally, and ethically. They request, receive, evaluate, and make decisions based on guidance from the Executive Director. Lindenhurst Park District encourages public interaction and believes in being actively involved in our community.

Board Meetings

Regular meetings of the Park Board of Commissioners are held on the second Tuesday of each month at 6:00pm at the Lindenhurst Park District. The public is always invited to attend. If you want to address the board, please contact Dave Mohr Jr., Executive Director, at 847.356.6011 x 1003 or dmohr@lindenhurstparks.org.

About Us

Lindenhurst Park District is located in northwestern Lake County, Illinois. The District was formed on April 15, 1988. A five-member, non-paid elected board establishes policy for the district and provides direction on program and facility development. Our current park board has over 55 years of combined experience. We have a supporting cast of local individuals, organizations, government, and businesses, allowing our Park District to move forward progressively and accomplish improvements beneficial to you. Recreational opportunities continue growing with 19 named park sites, two beaches, and 15 playgrounds (126 acres and 25 parcels of open space total), which offer great active features combined with designated passive/natural areas. We operate a 31,000 sq. ft. Community Center with a full-size gymnasium, 3-lane suspended walking/jogging track, aerobic and dance studios, senior/active adult room, preschool, multi-purpose and activity rooms, offices, and more, all ADA accessible. We have also made improvements at each named park and beach site within the decade, under a tax cap and without a referendum.

BEFORE & AFTER SCHOOL PROGRAM

HOW TO REGISTER

To register for the Before & After School Program, please visit www.lindenhurstparks.org and follow these tabs:

- Registration>Before & After School Program>Registration.
- Select the registration option that fits your family best for AM/PM Care and add it to your cart.
- You will then be prompted to pay in full for the individual days you selected (drop-in), pay for the full month (monthly), or pay for your first installment (annual).
- **CLICK HERE** for the Parent Handbook and necessary paperwork. Also available at www.lindenhurstparks.org/programs/before-after-school-program/

Annual Registration

Register your child for AM and/or PM care for the full school year (excluding Days Off Care/School Breaks). You will be assigned an automatic installment billing during the online registration. Installments will be the total annual fee broken into 10 equal payments. The first payment will be taken at the time of registration. Subsequent payments will be charged on the first of the month beginning August 1, and the last payment will be on May 1.

Monthly (Session) Registration

Monthly Registration allows you to register for all program days during the month; choose AM and/or PM care. You will be prompted to pay in full for that month or call to set up an installment plan breaking your monthly fee into two payments; the first payment is taken at the time of registration, and the second payment is on the 15 of the month.

Daily (Drop-In) Registration

If you choose to register using the drop-in option you have the flexibility to choose individual days throughout the month in both AM and/or PM care. Daily registration must be completed before the monthly deadline on a monthly basis unless you register and pay in full for the entire school year. Installment plans are not available for daily registration. Pre-registration is required.

Registration Deadlines

The registration deadline is 7 days prior to the beginning of the new month. Registration submitted after the 7-day deadline will incur a \$40 automatic late fee if space is still available.

Early Release/No School

The Before & After School Program will observe school holidays, institute days, and early release days in accordance with Lake Villa District 41.

Transportation

Parents are responsible for contacting the school and bus service to arrange transportation. School Districts require students to have one drop-off and pick-up location throughout the year. If your child is not attending our program daily, consider using our location as their everyday pick-up/drop-off location.

Refund Policy

Refunds for non-attendance, a partial month's attendance, or withdrawal mid-month will not be given. Families who have registered for the Annual option should call to stop monthly installments prior to the first of the month. Those registering month-to-month may stop registration at any time throughout the school year.

What to Bring

Bring a nut-free snack and water bottle each day.

FEES

- A registration fee of \$50 per child is required at the time of registration. This fee is non-refundable.
- **AM Care:**
\$13 per day (daily) or \$12 per day (annual/monthly).
- **PM Care:**
\$19 per day (daily) or \$18 per day (annual/monthly).
- A Credit Card Authorization Form must be completed and on file AND/OR a credit card must be saved to your household account with the Park District to participate in the program.
- Annual tuition installments are based on the total number of school days divided into equal payments (not the number of school days in the month).

Payment Plans

Installment billing is available as an option during registration to those utilizing Annual or Monthly registration. If you need a different plan, call our office at 847.356.6011.

A Fun Place to Learn & Play!

The Lindenhurst Park District's Engle Junction Preschool provides a program for children ages two and a half through four years of age. We strive to provide a warm, accepting environment where learning is fun. Our experienced teachers offer a variety of developmentally appropriate activities designed to help children learn and grow socially, emotionally, physically, and intellectually.

Class Descriptions

2.5-Year-Old Early Learner Program

This is an introductory experience for young children with a focus on early learning, creativity, and play, with the main emphasis on getting along well with others in a classroom setting. This can be their first experience being responsible for themselves and adjusting to schedules and procedures. Pull-ups are allowed.

3-Year-Old Preschool

This is a great program for children developing their early literacy, motor, and social skills. Students engage in creative projects, songs, and cooperative play every day.

3-4-Year-Old Multi-Age Preschool

This hybrid program has an extra focus on peer learning that mimics family and neighborhood structures. Children who are older feel pride when helping younger students and can push themselves and reach beyond their and their families' expectations.

4-Year-Old Preschool

This program is for children developing their early literacy, motor, and social skills. Students engage in creative projects, songs, and cooperative play every day with an emphasis on kindergarten readiness.

4-Year-Old Pre-K Preschool

This time-enhanced program provides students with engaging, meaningful, and creative activities daily. With one additional day of attendance, children have more opportunities and time to develop their skills for kindergarten.

All-Aboard!

Our Philosophy

Engle Junction Preschool aims to provide a safe, nurturing, and inclusive environment where each child is recognized and appreciated.

Our Approach

Our curriculum, guided by the Illinois Early Learning Standards, is founded on the belief that children learn best through creative play and exploration. Our classrooms and curriculum have been carefully designed to promote varied learning experiences. Children participate in individual, small group, and whole-group activities daily. We strive to prepare our students for kindergarten by incorporating activities that promote the development of social, emotional, physical, cognitive, and language skills.

Our teachers recognize each child's unique learning styles, needs, and interest and work diligently to offer learning experiences that are developmentally appropriate considering our students' ages, individual needs, and social and cultural contexts.

If you are interested in visiting our preschool, checking availability, or would like more information, please contact Recreation Program Manager, Katie Kozuch, at 847.356.6011 x 1004 or kkozuch@lindenhurstparks.org.
