Clorox Wipes, Washable Markers, Baby Wipes Painters Tape

Monday/Wednesday/Friday-AM:

1 Small non-coated paper plates
1 Box of Sandwich (sized) zip lock Bags

Monday/Wednesday/Friday PM – Enrichment:

Dry Erase Markers
Glue Sticks

Engle Junction Preschool Philosophy & Curriculum

It is the goal of Engle Junction Preschool to provide a safe and nurturing learning environment where each child and family is recognized and appreciated. Our curriculum is founded on the belief that children learn best through creative play and exploration, thus our classrooms and curriculum have been carefully designed to promote varied learning experiences. Children participate in individual, small group and whole group activities on a daily basis.

Engle Junction Preschool strives to prepare our preschoolers for elementary school by incorporating activities into our program that promote development of social, emotional, physical, cognitive, and language skills. Our teachers recognize the unique learning styles, needs, and interest of each child and work diligently to offer learning experiences that are developmentally appropriate considering our students' ages, individual needs, and social and cultural contexts.

Payment Details

A \$50 non-refundable registration fee will be charged at the time of registration. A one-month tuition deposit (used for May) must be paid at the time of registration to secure your space for the upcoming school year; this deposit is non-refundable after August 15.

Eight equal payments will be automatically withdrawn from a credit or debit card on the first day of each month beginning in September (the last payment will be withdrawn on April 1). A \$40 late fee will be applied if a payment is returned for insufficient funds or an expired credit card on file.

Tuition payments are based on the total number of school days divided into nine equal monthly installments.

Refund Policy

Refunds will not be given for days missed due to injury, illnesses or vacations. Refunds for a partial month's attendance or withdrawal mid-month will not be given. If you would like to withdraw during the school year, contact us prior to your next monthly installment. Your child will be welcome to attend through the month.

The tuition deposit paid at time of registration is counted as your last month's tuition payment. This deposit is non-refundable after August 15. If you withdraw before August 15, a refund less a \$10 service charge will be issued.

Tax Information

The Lindenhurst Park District Tax ID Number is 36-3586427. All payment and registration information is available to you via your household account on our website. Contact Lori, our Guest Services Manager, for additional details.

Meet the Staff of Engle Junction Preschool

Warm, caring teachers and teacher aides instruct Engle Junction Preschool classes.

Mrs. Baker

Mrs. Baker started bringing her children to the programs at the Park District in 2002. In 2005, Mrs. Baker decided to re-enter the classroom and use her degree in Early Childhood to help teach many of the Early Childhood classes offered at the Park District. Mrs. Baker is looking forward to continuing her work in Early Childhood along with the 2.5 and 3-year-old preschool class. The most rewarding part of teaching is watching how the kids learn and grow through play.

Mrs. Anderson

Mrs. Anderson moved back to this area in 2019 and started at Engle Junction Preschool during the 2020 school year as a teacher's aide in the Preschool classroom. During the summer, she has taught preschool summer day camp. Before moving here, she volunteered and worked in the public elementary schools that her children attended and enjoyed every moment of it. She loves teaching and inspiring children to love learning and to love coming to school. She cannot wait to meet you!

Mrs. Derrick

Mrs. Derrick has been working and volunteering at the Lindenhurst Park District since 1999. After all three of her daughters completed Engle Junction Preschool, she began teaching Early Childhood classes at the district. In 2003, Mrs. Derrick joined the Engle Junction Preschool staff. She also teaches the three-year old program for Little Crossings Summer Day Camp program 2.5 and 4-year-old preschool. As well as our Pre-Kindergarten class.

Mrs. Silvola

Mrs. Silvola has been working for Engle Junction Preschool since 1997, first as a substitute and then as a teacher's aide. Mrs. Silvola has lived in Lindenhurst since 1997 and enjoys meeting members of the community and seeing them at park district events. Mrs. Silvola enjoys seeing how quickly the preschoolers learn and watching them develop new friendships.

Mrs. Greig

Mrs. Greig has been teaching preschool at the Lindenhurst Park District since 1998. Throughout the year, Mrs. Greig volunteers at various park district special events. Her favorite part about teaching preschool is helping children realize their potential.

Mrs. Johnson

Mrs. Johnson started teaching Early Childhood programs at the Lindenhurst Park District in 2009. She also was a long time substitute teacher for the Engle Junction Preschool program. Both of her sons have attended preschool at the Park District and have participated in many of the wonderful programs offered here. In her spare time, Mrs. Johnson enjoys spending time with family, friends, sharing laughs, and smiles with the preschool students.

Mrs. Brean

Hello! My name is Kristin Brean. I have been teaching young children since 1999. I live in Lindenhurst. I am married and have a son named AJ who attends Millburn School District. In addition to teaching preschool, she also teaches our four-year old program for Little Crossings Summer Day Camp. One reason I love teaching preschool aged children, is watching how children learn through play. Early child development is very important. The mind of a young child absorbs everything that is taught to them.

Location

Engle Junction Preschool meets at the Thomas J. Lippert Community Center (2200 East Grass Lake Road) in dedicated classrooms; Preschool A, Preschool B, Preschool C and Preschool D. In addition to the preschool classrooms, Engle Junction Preschool has access to a full-size gymnasium, dance studio, early childhood playground, athletic fields, and nature trails for gross motor development and exploratory learning.

Classroom Centers

Engle Junction Preschool has four unique classrooms. Each classroom is equipped with various centers designed to create defined activity areas that limit distractions, foster more complex play, and promote collaboration & socialization. Within each classroom, you find the following:

- Dramatic Play Center - Equipped with fully stocked kitchen.
- Art Exploration Center - Equipped with double-sided easels and various art materials & tools.
- Science Discovery Center - Equipped with natural objects, nonfiction books, and scientific tools such as magnifying glasses, magnetic wands, and microscopes.
- Student Writing Center – Students will have access to dry erase boards, and writing material.
- Library - Colorful picture books, nonfiction materials, and comfortable cushions.
- Math and Manipulatives - Puzzles, pattern activities, counting & sorting objects, and more.
- Sensory Table - includes a variety of sensory exploration activities.
- Music and Movement - Instruments, parachute, and ribbons galore!
- Toys and Games - Purposefully selected to help children develop cognitively, emotionally, and socially.

Class Arrival and Pick-Up

Please arrive to class on time and pick-up your child promptly at the end of class. Being on time to pick-up your child is important as children are more secure knowing that a parent or caregiver will be there when school ends. Staff have a limited time to tidy their classroom before the next program. All children must be dropped off inside their classroom.

For pick-up, if the class is outside on the playground, please enter our facility, gather your child's items and meet us outside. If students are not outside, pick up will be done inside the Community Center building outside your child's classroom.

All parents/guardians and individuals with written pick-up authorization will be required to sign their child in at the beginning of class and out at the end of class. The late fee policy will be strictly enforced in the event of late pick-ups. A \$10 fee will be charged every 10 minutes (or portion thereof) of tardiness. You will receive a copy of the charges and will see any of these charges reflected on your household account. If you are running late please call.

If someone other than yourself will be picking up your child or they are not on the approved pick up list; written permission must be given prior to the pick-up and the individual must present a state identification card or driver's license. No child will be released without written permission from a parent/guardian and verification of identification.

Note: Classroom doors will be locked five minutes after the start of class. Please arrive to preschool promptly to avoid disrupting class activities. If you arrive after the classroom door is locked, please check in at the front desk so a phone call can be made to the teacher.

Parking

Please remember that all vehicles MUST be parked in a legal parking space. At NO time is any vehicle permitted to stop, park, or drop-off in the fire lane directly in front of the Lippert Community Center (along the curb from the front doors to the area in front of the band shell). If there are no parking spaces available in the upper parking lot, please use the large parking lot near the gym. Parking regulations will be monitored and strictly enforced; your cooperation is appreciated as it helps maintain a safe environment for all of our patrons and preschoolers.

School Closings

The Engle Junction Preschool Calendar is located on page 2. Emergency closings will be communicated by e-mail, posted on our Facebook page (<https://www.facebook.com/lindenhurstparkdistrict>), and announced on our website. Emergency closings will not be made up.

What to Bring

Each child will need to bring a backpack or bag with a complete change of clothes (shirt, pants, socks, and undergarments) and a water bottle daily. Each child will have a cubby and hook on which to hang jackets and bags. All clothing, personal items, and backpacks should be labeled with your child's name. Staff are not responsible for lost/stolen belongings.

Note: Please turn in any paperwork, homework, supply donations, etc., directly to the teacher.

Classroom Supplies Needed

A school supply list is listed in the front of this handbook. Please bring your school supplies to the Meet and Greet or with you on the first day of school. These supplies do not need to be labeled with your child's name as they will be used as community supplies in the classroom.

Personal Property

Staff and volunteers are not responsible for money, valuables, or personal items. There will be no personal toys, games, or electronics allowed at preschool with the exception of show-and-tell. Please label your child's belongings with their full name.

Photo Policy

Periodically, Park District staff will take photos of children in class. These photos are for Park District use in the program guide, website, social media, pamphlets/flyers or promotional materials.

Newsletter/Calendar

Newsletters will be sent home at the beginning of each month. Any special announcements or program needs will be noted in the monthly newsletter; read your newsletter regularly. Parents will also be given access to the Engle Junction Preschool Homeroom App. Information will be provided at the start of the school year.

Communication

From time-to-time your child will come home with a note and/or project. Please check your child's backpack daily to remain informed about classroom activities. Communication will also be shared through the Homeroom App. If you have any questions/concerns, please feel free to contact preschool staff directly or call our office at 847.356.6011.

Daily Schedule

The Engle Junction Preschool daily schedule is designed to incorporate individual, small group, and large group interaction between children and their peers/teachers. The children are kept active and engaged throughout their day. All aspects of the curriculum, as well as classroom centers and toys, are carefully selected to encourage exploratory learning.

Engle Junction Preschool Daily Schedule

Individualized Play and Centers (2.5 year olds)

As children arrive, they are encouraged to engage in individualized play. The play centers are open; and manipulatives and sensory materials are available for exploration.

First Circle Time

The first circle is short as the children are eager to play and begin their day. Teachers will introduce the theme, letter/number and project, etc. so the children will know what to expect for their day. A short story relating to the theme may also be read at first circle.

Individualized Play/Centers & Small Group Project

Children will work in small groups under the supervision of a teacher at the project table (art, science, etc.). Teachers will ensure that all students have the opportunity to come to the table before clean up. While children work in small groups at the project table, the other children are actively engaged in individualized play.

Clean-up Time

Children clean-up toys and manipulatives and prepare for second circle.

Second Circle Time

The second circle is longer than the first as the children are ready to focus for longer periods of time after enjoying individualized play and a small group project. At the second circle, the children will review the letter/number. They will discuss the calendar, weather and sing songs before enjoying a story. Time for sharing is also incorporated into the second circle time.

Snack

The child will wash their hands and enjoy a small snack. After snack, the children will wash their hands and read stories while waiting for their classmates to finish.

Table Time

Three and Four-year-old preschool and pre-kindergarten classes will participate in table time activities. These activities include worksheets, science experiments, and other activities to promote kindergarten readiness.

Gross Motor Activities

The day ends with gross motor activities to develop and strengthen muscles and coordination. The children will enjoy the playground, grassy field, sports gym, play equipment, and/or large group games.

Dismissal

Parent/Guardians must sign out their child at dismissal. If your child's class is on the playground at dismissal time, please pick them up on the playground. During our Preschool program, our classes will be using Engle Junction Tot Lot. Once students have been signed out from our program, you are welcomed to use the other playground.

Outside Play

Please be advised that we may play outside on cooler days. Please dress your child appropriately. The weather changes quickly, so send extra layers when necessary. On snowy days, preschoolers should change out of their snow boots and into shoes before entering the classroom.

Field Trips

Engle Junction will take two field trips during the year. As these trips get closer, permission slips and information will be sent home. Parents/Guardians are required to attend all field trips, provide transportation for their child to and from field trip locations, and are asked to join in on the fun. There will be no preschool or enrichment on field trip days for children who are unable or choose not to attend the field trip. Field trip fees are non-refundable.

Birthdays

Preschoolers that would like to celebrate their birthdays may send non-edible birthday treats such as bubbles, pencils, party favors, stickers, or coloring books to be distributed to classmates. Teachers will recognize each birthday child in a special way.

Classroom Celebration Days

Preschool will have three celebrations throughout the year: Halloween, Winter, and Valentine's Day. Classroom teachers will plan and implement activities for each celebration day. Celebrations are held during the last hour of class on assigned celebration days.

Food Allergies

For everyone's safety, all of our classrooms have been designated as "nut-free"; although we cannot guarantee that nuts/nut products will not be brought into the classroom. This means we attempt to avoid peanut butter, foods containing peanut oils, or foods processed on machines that also process foods made with nuts from entering the classroom during preschool hours. If you have questions, please ask your child's teacher. Parents of children with food allergies will be required to fill out a "Food Allergy Action Plan", which must be signed by the child's physician.

Snacks

Children will take turns bringing a snack to share with the class. We encourage parents to bring snacks that are healthy and nutritious. Each classroom will have a set student snack calendar to follow; which classroom teachers will send home each month. If you have to provide a snack for yourself due to other allergies besides nuts, you will not be asked to supply a classroom snack, however if you/your child would like to, let your teacher know. Please check the ingredients in all snacks to make sure they are nut-free and made in a nut-free environment. Examples of daily snacks may include, but are not limited to the following:

Applesauce	Fruit Bar	Popcorn	Saltines
Cheese & Crackers	Pretzels	String Cheese	Teddy Grahams
Dry Cereal	Gelatin	Raisins	Ritz Crackers
Fish Crackers	Graham Crackers	Rice Cakes	

Sick Child Policy

Children who are sick must stay home if they have any of these symptoms: sore throat, rash, diarrhea, nausea, vomiting, fever, earache, discharge from ears, eyes, or nose, or any diagnosed communicable disease. Children who are exhibiting these symptoms will be sent home. All children must be symptom free for 24 hours prior to returning to class (symptoms include: fever-without fever reducing medication, vomiting, diarrhea). A fever is a temperature of 100.4 degrees or higher. Please call the Park District at 847.356.6011 if your child will be absent from school.

Should a child become ill at preschool, the parent/guardian will be contacted and must be pick up as soon as possible. If a parent/guardian cannot be reached the emergency contact will be called.

If a child is diagnosed with an illness or communicable disease (chicken pox, head lice, measles, etc.) contact our office at 847.356.6011. Families will be notified of an illness in their classroom; the child's identity will not be shared. A doctor's note may be required for your child to return.

Medication

If your child needs medication dispensed during program hours staff may be authorized to do so as long as the proper forms have been fully completed. Do not send your child to preschool with any medication including over the counter medications. If medication must be dispensed, contact the office at 847.356.6011 to obtain the proper forms.

WSRA & Inclusion

Participants who require reasonable accommodations to successfully participate in the program are encouraged to request accommodations as soon as possible and no later than the time of registration. Inclusion assistance is provided by Warren Special Recreation Association (WSRA) to residents of Lindenhurst Park District.

Bathrooms

Preschool Rooms C and D have bathrooms located within the classrooms. Children are able to use the bathroom as needed and if necessary will be prompted by a teacher to take a bathroom break. Preschool rooms A and B have bathrooms located across the hall. Children are able to use the bathroom at any time and will be supervised in the hallway.

Children enrolled in Engle Junction Preschool must be able to use the bathroom independently. The routine use of diapers or pull-ups is not permitted (unless enrolled in our 2.5-year-old program). Occasionally preschoolers will have a toileting accident. If your child has a toileting accident while at school, they will place soiled clothing in a bag and it will be placed in their cubby. Classroom teachers will not change soiled clothing but they will assist the child and follow-up with a phone call home.

Code of Conduct & Behavior

It is the responsibility of the parents/guardians to discuss the Code of Conduct with their child(ren) and reinforce the importance of appropriate behavior at park district programs.

Lindenhurst Park District Code of Conduct

- Show respect to all participants, staff and volunteers.
- Use appropriate language when communicating with participants, staff, and volunteers. Foul and obscene language will not be tolerated.
- Do not purposely cause bodily harm to participants, staff or volunteers.
- Do not communicate threats, inappropriate comments or actions that may be considered as any type of harassment, direct threats or actions that pose a threat by gesture, words or actions.
- Exhibit tolerance and courtesies and commonly accepted behavior towards our diverse community.
- Exhibit good sportsmanship at athletic events, whether as an active participant or spectator.

Lindenhurst Park District Behavior Management Policy

If improper behavior occurs parents will be informed. If a second incident occurs, a meeting will be held with the appropriate Manager, and/or a Park District administrator. If improper behavior continues, the child may be asked to leave the program.

Behavior Management Techniques

Program staff will employ several methods of behavior management when working with children including redirection, positive reinforcement, warnings, and breaks.

Behavior requiring correction will result in redirection to a more productive activity. Redirection may involve altering the way a child is using a toy or may require changing the activity or location in the room. Redirection is suggested to a child in a gentle, positive, and discreet manner.

If redirection fails, staff will notify the child of the behavior more directly by issuing a warning. One warning will be issued giving the child an opportunity to alter their behavior; staff will offer suggestions when necessary. A warning without a change in behavior will result in a break.

Children requiring a break will be addressed in a gentle, discreet, and non-threatening manner. Breaks are not communicated as punishment or negative. Breaks are considered and described as an opportunity for the child to reflect on their behavior, calm their body/mind, and consider an alternate behavior. No child will have a break that exceeds their current age in minutes; example: a three year old would only have a break up to three minutes long, if necessary. No specified break area is identified in the classroom. Example: children needing a break could sit in a chair at a table not being used, or on the carpet of a non-occupied area of the room. Children who continue the behavior may be removed from the activity and required to play elsewhere.

Staff will notify parent/guardian of disciplinary incidents when the child's behavior is reoccurring, harmful to self or others, or impacting the quality or integrity of the program.

Lindenhurst Park District reserves the right to suspend or dismiss a participant whose behavior endangers the safety of themselves or others, or if the behavior negatively affects the program. Refunds will not be issued for behavior-related dismissals.

Conferences & Progress Reports

Each child enrolled in preschool will participate in progress assessments throughout the school year. Teachers will send home a progress report in the fall (four-year-olds class) and in the spring (all classes). Parents will have an opportunity to make an appointment with their child's teacher to discuss assessments, if necessary in the spring.

Information Changes

Please inform the Guest Services Manager of any changes to personal information by calling 847.356.6011.

Firearms/Weapons

In accordance with Chapter 8, of Municipal Code: Weapons of Ordinance 14-08-05, No person shall bring, carry or use knives, firearms, explosive substances or weapons.

DCFS License Exempt

Engle Junction Preschool is not licensed or regulated by the Department of Child and Family Services (DCFS).

Questions/Concerns

Should you ever have any questions or concerns, call the Park District at 847.356.6011.
