Lindenhurst Park District has a five (5) member Board. Board members are unpaid and elected to six (6) year-term positions. Park Board members must reside within the Park District boundaries. Primarily, the Park Board establishes policies based on sound research and consideration of community needs. They adopt policies that allow the Park District to run efficiently, effectively, legally, and ethically. They request, receive, evaluate, and make decisions based on guidance from the Executive Director. Lindenhurst Park District encourages public interaction and believes in being actively involved in our community.

Board Meetings

Regular meetings of the Park Board of Commissioners are held on the second Tuesday of each month at 6:00pm at the Lindenhurst Park District. The public is always invited to attend. If you want to address the board, please contact Dave Mohr Jr., Executive Director, at 847.356.6011 x 1003 or dmohr@lindenhurstparks.org.

About Us

Lindenhurst Park District is located in northwestern Lake County, Illinois. The District was formed on April 15, 1988. A five-member, non-paid elected board establishes district policy and provides direction on program and facility development. Our current park board has over 60 years of combined experience. We have a supporting cast of local individuals, organizations, government, and businesses, allowing our Park District to move forward progressively and accomplish improvements beneficial to you. Recreational opportunities continue growing with 19 named park sites, two beaches, 15 playgrounds, and 25 parcels of open space, totaling 134.5 acres, which offer great active features combined with designated passive/natural areas. We operate a 31,000 sq. ft. Community Center with a full-size gymnasium, 3-lane suspended walking/jogging track, aerobic and dance studios, senior/active adult room, preschool, multi-purpose and activity rooms, offices, and more, all ADA accessible. We have also made improvements at each named park and beach site within the decade, under a tax cap and without a referendum.
