Todd Solbria President

Victoria McCabe Vice President

James Stout Treasurer

Sean Smith Commissioner

Sheri Chapman Commissioner

Lindenhurst Park District has a five (5) member Board. Board members are unpaid and elected to six (6) year-term positions. Park Board members must reside within the Park District boundaries. Primarily, the Park Board establishes policies based on sound research and consideration of community needs. They adopt policies that allow the Park District to run efficiently, effectively, legally, and ethically. They request, receive, evaluate, and make decisions based on guidance from the Executive Director. Lindenhurst Park District encourages public interaction and believes in being actively involved in our community.

Board Meetings

Regular meetings of the Park Board of Commissioners are held on the second Tuesday of each month at 6:00pm at the Lindenhurst Park District. The public is always invited to attend. If you want to address the board, please contact Dave Mohr Jr., Executive Director, at 847.356.6011 x 1003 or dmohr@lindenhurstparks.org.

About Us

Lindenhurst Park District is located in northwestern Lake County, Illinois. The District was formed on April 15, 1988.

A five-member, non-paid elected board establishes district policy and provides direction on program and facility development. Our current park board has over 60 years of combined experience.

We have a supporting cast of local individuals, organizations, government, and businesses, allowing our Park District to move forward progressively and accomplish improvements beneficial to you. Recreational opportunities continue growing with 19 named park sites, two beaches, 15 playgrounds, and 25 parcels of open space, totaling 134.5 acres, which offer great active features combined with designated passive/natural areas.

We operate a 31,000 sq. ft. Community Center with a full-size gymnasium, 3-lane suspended walking/jogging track, aerobic and dance studios, senior/active adult room, preschool, multi-purpose and activity rooms, offices, and more, all ADA accessible. We have also made improvements at each named park and beach site within the decade, under a tax cap and without a referendum.

ENGLE 2025-2026 School Year
JUNCTION Preschool

A Fun Place to Learn & Play!

The Lindenhurst Park District's Engle Junction Preschool provides a program for children ages early 3's through four years of age. We strive to provide a warm, accepting environment where learning is fun. Our experienced teachers offer a variety of developmentally appropriate activities designed to help children learn and grow socially, emotionally, physically, and intellectually.

Class Descriptions

Young 3-Year-Old Early Learner Program

This is an introductory experience for young children with a focus on early learning, creativity, and play, with the main emphasis on getting along well with others in a classroom setting. This can be their first experience being responsible for themselves and adjusting to schedules and procedures. Pull-Ups are allowed.

3-Year-Old Preschool

This is a great program for children developing their early literacy, motor, and social skills. Students engage in creative projects, songs, and cooperative play every day.

4-Year-Old Preschool

This program is for children developing their early literacy, motor, and social skills. Students engage in creative projects, songs, and cooperative play every day with an emphasis on kindergarten readiness.

4-Year-Old Pre-Kindergarten Preschool

This time-enhanced program provides students with engaging, meaningful, and creative activities daily. With one additional day of attendance, children have more opportunities and time to develop their skills for kindergarten.

If you are interested in visiting our preschool, checking availability, or would like more information, please contact us at 847.356.6011.

All-Aboard!

Every day is a new adventure on the Learning Express!

Our Philosophy

Engle Junction Preschool aims to provide a safe, nurturing, and inclusive environment where each child is recognized and appreciated.

Our Approach

Our curriculum, guided by the Illinois Early Learning Standards, is centered on the belief that children learn best through creative play and exploration. Our classrooms and curriculum have been carefully designed to promote varied learning experiences. Children participate in individual, small-group, and whole-group activities daily.

We strive to prepare our students for kindergarten by incorporating activities that promote the development of social, emotional, physical, cognitive, and language skills.

Our teachers recognize each child's unique learning styles, needs, and interests and work diligently to offer learning experiences that are developmentally appropriate considering our students' ages, individual needs, and social and cultural contexts.

To register for preschool, visit www.lindenhurstparks.org and follow these tabs.

- Registration>Engle Junction Preschool
- Scroll to the bottom of the page and click Registration & Program Information>Registration
- Select "Engle Junction Preschool 25-26" at the bottom of
- Choose the appropriate age and class selection
- You will be prompted to pay in full or select monthly installments for the school year

A \$50 non-refundable registration fee will be charged at the time of enrollment.

If you choose monthly installments, a one-month deposit (used for the last month) will be charged at the time of registration. Then, eight equal payments will automatically be charged to a credit or debit card on the first day of each month beginning in September (the last payment will be withdrawn on April 1). A \$40 late fee applies if a payment is returned for insufficient funds.

Early Learner Program: If you register for session 1 and session 2 at the same time, you may call our office to postpone your session 2 deposit until December 1, 2025.

Monthly installments are based on the total tuition cost divided into nine equal payments (not the number of days per month).

Requirements

- •All children must be able to use the restroom independently unless enrolled in the Young 3-year-old Early Learner program.
- •When enrolling in Engle Junction Preschool, your child must be the appropriate age by September 1.

Refund Policy

Refunds will not be given for a partial month's attendance or withdrawal. The last month's tuition payment, (paid at the time of registration), is non-refundable after August 15. If a refund request is made before August 15, a refund will be processed, less a \$10 service charge. If you would like to withdraw, contact our front office at 847.356.6011.

Our journey begins at the Milton House Museum in Janesville, WI – a nationally recognized Underground Railroad site and one of the oldest grout structures in the United States. Discover the powerful stories and unique architecture that make this landmark so remarkable. Next, we'll enjoy a delicious lunch at Whiskey Ranch, a local favorite known for its warm atmosphere and hearty comfort food-the perfect place to relax and refuel before the second half of our adventure. We'll then visit the beautifully preserved Lincoln-Tallman House, where over 100 themed Christmas trees transform the historic mansion into a breathtaking holiday wonderland. Wander through the lavishly decorated rooms and immerse yourself in 19th-century elegance with a festive twist. This day promises a perfect blend of historical discovery, seasonal spirit, and great company-a wonderful way to celebrate the holidays with friends old and new.

The trip includes transportation by Park District bus, Milton House Tour, lunch, and admission to the Lincoln-Tallman House. **Moderate standing and walking.**
