REMINDERS

1 Cold and Flu Season is still here

It may be March but cold and flu season is still here! If your child has been diagnosed with a contagious illness please contact your child's teacher. An email will then be sent to inform others in the class who have been exposed.

If your child is experiencing cold or flu symptoms, please allow them to rest at home and return to school once symptom free for 24 hours without the help of medication.

2 Outside Play

As the weather gets warmer students will begin playing outside on our playground. Please make sure that your student has a jacket that they can wear out on the playground.
