Commissioner

Lindenhurst Park District has a five (5) member Board. Board members are unpaid and elected to six (6) year-term positions. Park Board members must reside within the Park District boundaries. Primarily, the Park Board establishes policies based on sound research and consideration of community needs. They adopt policies that allow the Park District to run efficiently, effectively, legally, and ethically. They request, receive, evaluate, and make decisions based on guidance from the Executive Director. Lindenhurst Park District encourages public interaction and believes in being actively involved in our community.

Board Meetings

Regular meetings of the Park Board of Commissioners are held on the second Tuesday of each month at 6:00pm at the Lindenhurst Park District. The public is always invited to attend. If you want to address the board, please contact Dave Mohr Jr., Executive Director, at 847.356.6011 x 1003 or dmohr@lindenhurstparks.org.

About Us

Lindenhurst Park District is located in northwestern Lake County, Illinois. The District was formed on April 15, 1988. A five-member, non-paid elected board establishes district policy and provides direction on program and facility development. Our current park board has over 60 years of combined experience. We have a supporting cast of local individuals, organizations, government, and businesses, allowing our Park District to move forward progressively and accomplish improvements beneficial to you. Recreational opportunities continue growing with 19 named park sites, two beaches, 15 playgrounds, and 25 parcels of open space, totaling 134.5 acres, which offer great active features combined with designated passive/natural areas. We operate a 31,000 sq. ft. Community Center with a full-size gymnasium, 3-lane suspended walking/jogging track, aerobic and dance studios, senior/active adult room, preschool, multi-purpose and activity rooms, offices, and more, all ADA accessible. We have also made improvements at each named park and beach site within the decade, under a tax cap and without a referendum.

ENGLE 2026-2027 School Year JUNCTION PRESCHOOL

A Fun Place to Learn & Play!

All-Aboard the Fun Express!

Our Philosophy

Engle Junction Preschool aims to provide a safe, nurturing, and inclusive environment where each child is recognized and appreciated.

Our Approach

Our curriculum, guided by the Illinois Early Learning Standards, is centered on the belief that children learn best through creative play and exploration. Our classrooms and curriculum have been carefully designed to promote varied learning experiences. Children participate in individual, small-group, and whole-group activities daily.

We strive to prepare our students for kindergarten by incorporating activities that promote the development of social, emotional, physical, cognitive, and language skills.

Our teachers recognize each child's unique learning styles, needs, and interests and work diligently to offer learning experiences that are developmentally appropriate, considering our students' ages, individual needs, and social and cultural contexts.

The Lindenhurst Park District's Engle Junction Preschool provides a program for children three and four years of age. We strive to provide a warm, accepting environment where learning is fun. Our experienced teachers offer a variety of developmentally appropriate activities designed to help children learn and grow socially, emotionally, physically, and intellectually.

Class Descriptions

3-Year-Old

This is a great program for children developing their early literacy, motor, and social skills. Students engage in creative projects, songs, and cooperative play every day.

4-Year-Old

This program is for children developing their early literacy, motor, and social skills. Students engage in creative projects, songs, and cooperative play every day with an emphasis on kindergarten readiness.

4-Year-Old 4 Day

This time-enhanced program provides students preparing for kindergarten with engaging, meaningful, and creative activities daily. With one additional day of attendance, children have more opportunities and time to develop their skills for kindergarten.

*4-Year-Old Enrichment

Must be currently enrolled in one of the M/W/F AM Classes

Is your 4-year-old ready for a longer day? This program allows your child to eat lunch and enjoy the afternoon playing and learning with friends. Students will have hands-on, meaningful experiences that will promote a play-based learning centered on math, science, dramatic play, language and literacy, music, and art.

It's your pal, **Paws the Pink Bear**, here to sprinkle some giggles and grins into your day! As the conductor of our Engle Junction Preschool train, I'm here to make every journey a delightful adventure! Remember, at Engle Junction Preschool every day is a bear-y good adventure, and I can't wait to see all your smiling faces on board!

The Secret Society of Supper Clubs

A celebration of good food, great drinks, and timeless hospitality, this secret society brings together enthusiasts who appreciate the art of the supper club experience. United by a love for hearty, made-from-scratch meals. Whether it's the sizzling steaks, golden fish fries, or buttery sides like creamed corn and mashed potatoes. The society takes pride in the ritual of the classic *Old-Fashioned* cocktail, served the Wisconsin way: brandy, bitters, and a cherry, all enjoyed in good company before a hearty meal. It's not just about the food or the drink – it's also about connecting with the legacy of Wisconsin's supper clubs and savoring the nostalgia of simpler times. Fresh bread, classic cocktails, and laughter fill the air as each gathering is an opportunity to rediscover the joy of a night out, just like generations before.

It's more than a club – it's a movement to keep the tradition alive, ensuring that future generations can continue to enjoy the warmth, flavor, and community that only a true supper club can provide.

Picnic and Park

The Lindenhurst Park District is home to 19 parks developed to provide a variety of amenities including shelters and athletic fields available for seasonal rental. Fees help keep the shelters and fields clean and in working order at these picturesque parks.

The Lindenhurst Park District requires a Rental Permit or Special Use Permit for any gathering of 15 or more people at any park, shelter, field, or facility. A Special Use Permit is intended for groups that wish to use park space without renting a shelter and applies to activities such as charity events, races, filming, school or church gatherings, and other organized uses. Additionally, any organized group or business must obtain a permit to conduct classes, camps, practices, or similar activities on Park District property, regardless of group size. Special Use Permits require approval from the Board of Park Commissioners and the Executive Director.

All shelters include picnic tables, shared restrooms, and ample parking. Grilling is permitted; however, grills are not provided. Renters may bring a portable electric or propane grill if it is 24 inches off the ground. Charcoal grills are prohibited.

Rentals begin on April 15 and end on October 15. Rent anytime from 10am-7pm.

Reservations are accepted on a first-come, first-served basis and may be made in person or by phone. A valid credit card must be provided to keep on file for the required deposit.
