

WELCOME TO CAMP EXPLORATION

Week 3

Welcome to Camp Exploration! We are so excited that you will join us for Week 3 of camp! Our theme this week was **Around the World Travelers!**

Check out what we did this week!

Monday: Onsite day! Campers were all around the world (the park district)...playing at the playground, tag games at the hockey rink, soccer in the front fields, and in the down under (the gym)! They made felt sushi crafts.

Tuesday: Campers made shrinky dinks and headed to the splash pad!

Wednesday: Unfortunately the field trip was rained out, but campers made their own passports with places they have traveled to and where they want to go next! They even had their own movie day with popcorn!

Thursday: Campers made paper plate fans and went to the splash pad!

Friday: To finish our long travels, campers made spinning hand drums and had a photo-challenge scavenger hunt that led them to the gym...and popsicles!
