Our Story

Since 1988

Since then, Lindenhurst Park District has grown into a place where neighbors become friends, families make memories, and there is always something new to discover.

From parks and playgrounds to programs, sports, special events, and community gatherings, our goal has always been simple: **create places and experiences that bring people together.**

Today, the Park District includes 19 named park sites, two beaches, 15 playgrounds, and 134.5 acres of parks and open space. At the heart of it all is our 31,000-square-foot Community Center, with a full-size gymnasium, 3-lane suspended walking/jogging track, dance studios, an active adult room, and activity rooms where our community comes together to learn, play, move, and connect.

But our story isn't really about buildings, acreage, or numbers. It's about people...

It's the child discovering a new sport. The family celebrating a birthday. Friends meeting for a class. Neighbors gathering at an event. And the countless little moments that make a community feel like home.

That's what we're here for.

Creating Community through
People, Parks, and Programs

Our Mission

To enrich the quality of life for the people of our community by providing parks, recreational programs, and facilities through the efforts of staff, the generosity of area residents and businesses, and the cooperation of governmental and private agencies.

Our Vision

To be the leading Park District that delights and exceeds the expectations of the community with respect to recreation and parks.

In this regard, it must be recognized that it is impossible for the Lindenhurst Park District to guarantee absolute safety.
