Our Story

Since 1988

Since then, Lindenhurst Park District has grown into a place where neighbors become friends, families make memories, and there is always something new to discover.

From parks and playgrounds to programs, sports, special events, and community gatherings, our goal has always been simple: **create places and experiences that bring people together.**

Today, the Park District includes 19 named park sites, two beaches, 15 playgrounds, and 134.5 acres of parks and open space. At the heart of it all is our 31,000-square-foot Community Center, with a full-size gymnasium, 3-lane suspended walking/jogging track, dance studios, an active adult room, and activity rooms where our community comes together to learn, play, move, and connect.

But our story isn't really about buildings, acreage, or numbers. It's about people...

It's the child discovering a new sport. The family celebrating a birthday. Friends meeting for a class. Neighbors gathering at an event. And the countless little moments that make a community feel like home.

That's what we're here for.

Creating Community through
People, Parks, and Programs

Our Mission

To enrich the quality of life for the people of our community by providing parks, recreational programs, and facilities through the efforts of staff, the generosity of area residents and businesses, and the cooperation of governmental and private agencies.

Our Vision

To be the leading Park District that delights and exceeds the expectations of the community with respect to recreation and parks.

ENGLE JUNCTION LITTLE LEARNERS 2027–2028

A Fun Place to Learn & Play!

The Lindenhurst Park District's Engle Junction Little Learners Program provides a recreational program for children three and four years of age. We strive to provide a warm, accepting environment where learning is fun. Our experienced staff offers a variety of developmentally appropriate activities designed to help children learn and grow socially, emotionally, physically, and intellectually. Engle Junction Little Learners is not licensed and is a recreation-based program.

Class Descriptions

3-Year-Old

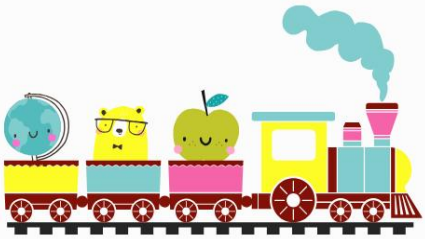

This is a great program for children developing their early literacy, motor, and social skills. Learners engage in creative projects, songs, and cooperative play every day.

4-Year-Old

This program is for children developing their early literacy, motor, and social skills. Learners engage in creative projects, songs, and cooperative play every day with an emphasis on kindergarten readiness.

4-Year-Old Enrichment

Is your 4-year-old ready for a longer day? This program allows your child to eat lunch and enjoy the afternoon playing and learning with friends. During our Enrichment Program they will have hands-on, meaningful experiences that will promote play-based learning centered on math, science, dramatic play, language and literacy, music, and art.

All-Aboard the Fun Express!

Our Philosophy

Engle Junction Little Learners aims to provide a safe, nurturing, and inclusive environment where each child is recognized and appreciated

Our Approach

We believe that children learn best through creative play and exploration. Our programs have been carefully designed to promote varied learning experiences. Children participate in individual, small-group, and whole-group activities daily. We strive to prepare our learners for kindergarten by incorporating activities that promote the development of social, emotional, physical, cognitive, and language skills.

Our staff recognize each child's unique learning styles, needs, and interests and work diligently to offer learning experiences that are developmentally appropriate, considering our learners' ages, individual needs, and social and cultural contexts.

It's your pal, ***Paws the Pink Bear***, here to sprinkle some giggles and grins into your day! As the conductor of our Engle Junction Fun Express, I'm here to make every journey a delightful adventure! Remember, at Engle Junction Little Learners every day is a bear-y good adventure, and I can't wait to see all your smiling faces on board!

The Lindenhurst Park District requires a Rental Permit or Special Use Permit for any gathering of 15 or more people at any park, shelter, field, or facility. Additionally, any organized group or business must obtain a permit to conduct classes, camps, practices, or similar activities on Park District property, regardless of group size. Special Use Permits require approval from the Board of Park Commissioners and the Executive Director.

All shelters include picnic tables, shared restrooms, and ample parking. Grilling is permitted; however, grills are not provided. Renters may bring a portable electric or propane grill that is elevated at least 24 inches off the ground. Charcoal grills are prohibited.
